

In our club membership application, there are 3 forms to be filled out and signed.

The application form and waiver, both need to be filled out and signed by every person over the age of 18 joining. For members under the age of 18, the waiver needs to be filled out in their name and signed by the parent or guardian. The new member form is filled out by the primary member and there is a place for spouse/partner and juniors information.

Completed forms and payment must be received before membership is approved. Payment can be cash, cheque / money order or by etransfer to lambtonsportsman@gmail.com

Once the completed documents and payment have been received the next steps are as follow:

Every new membership must go through a Board of Directors meeting

Board meetings are held on the last Tuesday of each month

Once your membership has been approved, new members are required to complete the New Member Orientation, this is mandatory before you are given access to the club.

You will be contacted by Paul Ferrera, our member volunteer who conducts the orientation

The New Member Orientation takes about an hour and a half, you are shown around the property, all the ranges, the club house, where things are kept, what is expected of members, all the do's and don'ts etc.

At the orientation, you will receive your membership card and name badge, a copy of the Code of Conduct and the Club Bylaws, as well as contact information for the different committees in the club and opportunities for volunteer hours.

All members are required to complete a minimum of 8 hours of volunteer work each year or a monetary fee in lieu of is due upon renewal. There are exemptions based on age, disability, and location. Please discuss this with Caron if any apply.

We do prorate fees depending on when you join in the year. Please contact Caron to confirm both membership and CSSA fees.

CSSA membership is mandatory with membership at Lambton Sportsman's Club, it is paid to us and we remit it to CSSA on your behalf. If you are already a member of CSSA, please let Caron know when joining.

If you have any questions or concerns, please contact Caron Ball
